INTRODUCTION

ABOUT US

LOCATION

STIMS is Located in the outskirts of the haldwani city the third most populous city and the largest commercial market in Uttarakhand, Also known as the 'Gateway of Kumaon hills'. STIMS is nested perfectly to aids as a channel to provide education to individuals within the city and from hilly regions of Uttarakhand.

DR. SUSHEELA TIWARI
INSTITUTE OF
MANAGEMENT STUDIES
was established in 2015 to provide quality education to allow free minds to question more and to explore more with the sole purpose of making the society a better place by combined efforts to innovate, create, explore, and to challenge themselves.

Also Providing exceptional theoretical knowledge and practical exposure to match the ever pacing hospitality industry and to prepare students in such a way that whichever direction they may go they make a noticeable difference and contribute to bring changes for a lasting impact.

THE DIFFERENCE

BEYOND THE CLASSROOMS

Learning is an important aspect for the growth and development, and here at STIHM we constantly try to introduce new methods to create a unique learning experience which not only allows students to thrive but also to build confidence to comfortably take on the challenges that they may tackle ahead in their future.

INTUITIVE LEARNING

Providing and utilizing time for independent learning, Market researches, problem solving and case studies. We also try to help students to understand and to be up-to date on the current hospitality trends, current industrial scenario through counseling and to help the students to better understand their future in the hospitality industry.

INTERACTION SESSION

We also conduct lectures hosted by experts from the industry, counseling sessions, group discussions, extempore, presentations which enables the students to focus on their area of interest and clear any doubt that they may have.

CO-CURRICULAR ACTIVITIES

We believe in providing the students with a time of their own where they can be as creative as they want and at the same time may learn new crafts and skills like Gardening, arts and music classes, Grooming sessions by experts, quiz competitions, essays etc.

PRACTICAL EXPOSURE

To build confidence in students with the industry based practices and scenario we provide students with regular exposure to our practical facility within the institute's vicinity and to nearby hospitality outlets to have a better understanding. Apart from the practical sessions, Students are offered to be a part of the workshops that are conducted within institute.

WHAT WE PROVIDE

RICH INFRASTRUCTURE

We have established well designed labs with proper equipment's and dedicated areas to mimic the environment of a well established hotel as closely as possible which helps the students to understand the process and at the same time get comfortable with the very basics of the industry.

ALUMNI ASSOCIATION

Our students past and present have already proven themselves and have achieved great success in their relevant fields and are still connected with us as we provide consultation and guidance even after they start working to make sure they grow and give their best to the work they are doing.

INDUSTRIAL VISIT

It is very important to introduce them and give them a firsthand experience to the atmosphere that the professionals work in and how they work and to indulge the students into the environment of the hospitality. They also get to see the all the Unique and luxurious facilities that the Indian hotels provides.
